

Dear Friend,

Now in its milestone 20th year, the Heinz History Center's History Uncorked event is Pittsburgh's premier party for young professionals, attracting nearly **1,500** individuals each year from a various industries and backgrounds, generating significant interest among local media. Guests enjoy an evening of fun and discovery with great food, dancing, auctions, and live entertainment while exploring the History Center's exhibitions and networking with their peers. This year's event is inspired by the upcoming exhibition, *American Spirits: The Rise and Fall of Prohibition*, which will include cutting-edge interactives and more than 100 rare artifacts like flapper dresses, authentic barware, temperance propaganda, and original ratification copies of the 18th and 21st Amendments. ***History Uncorked: Roaring 20s will take place on Friday, February 16, 2018.***

We invite you to join the History Center in our shared commitment to our region's young professionals by joining us at History Uncorked as a Food/Beverage Contributor.

Food and Beverage Contributors

Food and beverage contributors will have a table, free of charge, on site at History Uncorked to promote their business and serve guests their selected sample menu from **7 – 9pm**, the first half of the event. Your contribution will enable guests to sample the best of Pittsburgh's exciting food scene. Food Contributors receive branding on select event promotional materials, social media, the History Uncorked webpage, and face to face interaction with thousands of young professionals from the Pittsburgh region.

If you cannot be a Food/Beverage Contributor, you can still get involved! Please consider donating an in-kind gift for our very popular Silent Auction, in addition to or in lieu of your food/beverage contribution. Silent Auction donors are recognized in signage at the auction on site.

A detailed list of benefits for both levels of contribution is enclosed for your reference.

We hope to count you among our supporters at this milestone 20th year of History Uncorked! Please contact Angela Ford, Development Manager, at agford@heinzhistorycenter.org or 412.454.6405 for more information. Thank you again for your consideration.

Sincerely,

Sara L. Ruth
