**And for your final missions...**

**Mission 8: Put 'Em In Order**

Now that you've found everything, put them in order from oldest to newest! What are your clues?

Take a picture of them in timeline order!

**Mission 9: What does it mean?**

Talk about two or three of the things you found with your family. What can they tell you about your family?

Is there a special memory that goes along with something you found? Or is what you found related to an everyday occurrence?
