Rolling Tiger Adventure, Requirement 7

Requirement 7 of the Rolling Tigers Adventure says to “[l]earn about a famous bicycle race or cyclist. Share what you learn with your den.”

Go to the Western Pennsylvania Sports Museum on the 2nd floor and find the At the Races section. Here you can learn about important bicycle races in Pittsburgh, including the Thrift Drug Classic, and famous cyclists from Western Pennsylvania.

While you are in the Sports Museum, be sure to write down information about the race and take pictures to share with your den!

You can take notes in the box below.

At your next den meeting, share what you learned about cyclists from and bicycle races in Pittsburgh!
