

INSTRUCTIONS

- All photos must fit in their designated spaces.
- Students may NOT add additional pages for photos.
- Students may NOT change the background color or add other formatting.
- If students have media as part of their exhibit, they must provide a YouTube link or other way to share that media on the final slide.
- Students may use another program such as Google Slides, but must retain this format.
- When complete, save the file as a PDF for sharing with the judges.
- Send the PDF in accordance with instructions.
